Welcome Back

Welcome back to another exciting school year at Wooragee Primary School! I hope you and your family had a restful and enjoyable break. It's with great joy that we look forward to seeing our students return, ready for a year of learning, growth, and fun.

As a small school in our close-knit community, we are excited to continue fostering a nurturing and supportive environment for every child. Our dedicated teachers and staff are committed to providing a safe, inclusive, and enriching experience where every child can thrive.

We value the partnership we have with you, our wonderful parents, and look forward to working together to make this year the best yet. If you ever have any questions or concerns, please don't hesitate to reach out—we're here to support you and your child.

Here's to a fantastic school year ahead!

New Teacher

We are thrilled to welcome Kingsley as our new Year 3/4 teacher! Kingsley brings with him a wealth of experience and a passion for helping students grow both academically and personally. We are excited for him to become a part of our school community and to work with your children.

Please join us in welcoming Kingsley to our school community. We are confident he will make a positive impact on the students and look forward to a wonderful term of learning together!

Book Packs

Students have received their book packs. If you haven't already could you please go into compass and pay the \$50 per book pack, there will be a line in Compass that says 2025 Stationary & Book Pack. It can be found on Compass on the right-hand side under the Payments Centre tab.

Headlice:

We have **again** received reports of head lice cases. Please be vigilant in checking your children's hair for any signs of head lice. It's a good idea to keep special shampoo at home in case you need it. Ensure that your child brings their own hat to school and does not borrow hats from other children, as this will help prevent the spread of head lice. Please note, that if your child has long hair, tie it up every day. After treating with the special shampoo, children can return to school immediately.
